FIRTH OF FORTH

APPROACHES TO LEITH AND BURNTISLAND

DEPTHS IN METRES

EDINBURGH

The sun is up, and round Inchkeith
The breezes softly blaw...

Four and twenty merinaids
Left the Port o' Leith
Tae tempt the fine auld hermit
Wha dwelt upon Inchkeith.
Nor boat nor raft,
Nor crayer nor craft
Had they.
Nor oars nor sails.
Their lily hands
Were oars enow
Their tillers were their tails.
